MINNEAPOLIS--(BUSINESS WIRE)--Jan. 7, 2025-- SPS Commerce (NASDAQ: SPSC) today announced that its SPS Commerce Fulfillment Connector for SAP S/4HANA is now available on [SAP® Store](#), the online marketplace for SAP and partner offerings. SPS Commerce Fulfillment for SAP S/4HANA integrates with SAP S/4HANA and enables businesses to seamlessly manage order-to-cash to customers.

“Thousands of businesses using SAP technologies have already implemented SPS Commerce Fulfillment (EDI), and we are excited to expand our full-service EDI solution to connect with SAP S/4HANA through SAP’s Business Technology Platform (BTP) via the Public Cloud Connector,” said Steve Massey, Vice President of Technology at SPS Commerce. “Through this connection, customers can boost visibility across the supply chain, automate the retail and e-commerce order process, and scale support for businesses of any size. We are delighted to take this next step in our partnership with SAP.”

SPS Commerce Fulfillment Connector for SAP S/4HANA Public Cloud streamlines the integration process through a pre-configured solution package that can be seamlessly deployed within the SAP Integration Suite on the SAP Business Technology Platform (BTP). This solution facilitates a smoother integration process and aligns with SAP’s strategy of providing comprehensive, cloud-based integration solutions for modern business needs.

Core benefits of SPS Commerce Fulfillment for SAP S/4HANA:

- Cloud scalability and easy configuration
- Order consolidation and time savings
- Single point of connection
- 24/7 full-service support capabilities

SAP Store, found at [store.sap.com](https://store.sap.com), delivers a simplified and connected digital customer experience for finding, trying, buying and renewing more than 2,300 solutions from SAP and its partners. There, customers can find the SAP solutions and SAP-validated solutions they need to grow their business. And for each purchase made through SAP Store, SAP will plant a tree.

To enable companies to become intelligent enterprises, SAP is expanding its vertical solutions with an ecosystem of industry cloud solutions. These solutions complement the existing SAP portfolio to extend the value of joint customer investments. SPS Commerce is working with SAP to create offerings that meet consumer products, wholesale distribution and retail requirements so customers can achieve positive business outcomes.
