

## **SPS Commerce Named to Supply & Demand Chain Executive 100 for Third Consecutive Year**

July 30, 2008

**SPS Commerce Named to Supply & Demand Chain Executive 100 for Third Consecutive Year** **Minneapolis, Minn., July 30, 2008**

- SPS Commerce, the leading provider of SaaS EDI services, today announced it has been named to Supply & Demand Chain Executive Magazine's 2008 "Executive 100" list for the third consecutive year.

The **2008 Supply & Demand Chain Executive 100** are leading providers of supply chain services and technologies at the forefront of innovation. The judging committee for the "100," including the editorial staff of the magazine, in conjunction with the editorial advisory board, compiled the list of leading supply and demand chain innovators.

"SPS Commerce is honored to be named to this prestigious list of supply chain innovators," commented Archie Black, president and CEO of SPS Commerce. "We would like to extend our sincere appreciation to those that nominated SPS Commerce, the judging committee and Supply & Demand Chain Executive for honoring us again with their award."

A full listing on the winners is featured in the cover story of the June/July 2008 issue of Supply & Demand Chain Executive, as well as online at [www.SDCExec.com/SDCE100](http://www.SDCExec.com/SDCE100).

### **About Supply & Demand Chain Executive**

Supply & Demand Chain Executive is the executive's user manual for successful supply and demand chain transformation, utilizing hard-hitting analysis, viewpoints and unbiased case studies to steer executives and supply management professionals through the complicated, yet critical, world of supply and demand chain enablement to gain competitive advantage.
