

## **SPS Commerce to Host Webcast with Aberdeen Group on B2B Collaboration for the Retail Supply Chain**

### **Event Features Industry Experts from Aberdeen Group, SPS Commerce, VICS CPFR Committee and West Marine**

MINNEAPOLIS, Jul 27, 2010 (GlobeNewswire via COMTEX News Network) -- SPS Commerce (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that it will host a complimentary webcast, featuring retail industry experts in B2B communications and collaboration, to learn how suppliers, retailers, and their trading partners are working together to address today's business challenges. The one-hour event will take place on Tuesday, August 3, 2010, at 1:00pm Central Time.

The webcast will include presentations by Nari Viswanathan, Vice President and Principal Analyst, and Sahir Anand, Research Director at Aberdeen Group; Larry Smith, Senior Vice President of Planning and Replenishment at West Marine and Co-Chair of the VICS CPFR Committee; and Jim Frome, Chief Strategy Officer at SPS Commerce.

The webinar will feature:

- Analysts from Aberdeen Group sharing recent industry survey findings showing the latest trends, challenges and successes in B2B collaboration.
- Retail supply chain experts from SPS Commerce will detail how retailers and suppliers are working together to dramatically improve on-time delivery and fill rates, and reduce operating inventories levels through the use of Advance Ship Notices, Point-of-Sale data analysis and vendor scorecarding.
- B2B collaboration and CPFR leader, Larry Smith of West Marine, will share how his organization is successfully partnering with its suppliers to improve on time shipping and reduce distribution center expenses.
