ONE Consulting Services and SPS Commerce Partner to Offer Supply Chain and E-Commerce Solutions in the Greater China Region

Cloud and Business Software Providers Team to Provide Expanded Solutions and Leverage a Shared Partnership With NetSuite

MINNEAPOLIS, July 9, 2012 (GLOBE NEWSWIRE) -- [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, and [ONE Consulting Services](#) (ONE), a technology consulting firm specializing in the implementation and post-implementation services of NetSuite products, today announce a new partnership to provide cloud-based solutions to businesses in the Greater China region.

"We are very pleased to partner with another leading NetSuite partner, ONE Consulting Services, an organization known for its expert knowledge of NetSuite solutions and reliable services," said Chris Beukenkamp, Managing Director Asia at SPS Commerce. "SPS is expanding in the Greater China region and is delighted to team with ONE as part of this initiative."

ONE is a consulting organization that specializes in Oracle and NetSuite deployments. It delivers business and technology consulting as well as implementation and post-implementation services to help companies increase productivity and decrease total cost of ownership. SPS Commerce offers a comprehensive suite of solutions that help organizations in the retail supply chain work more effectively with their trading partners across the globe. More than 45,000 customers in 40 countries have used SPSCcommerce.net and its services to streamline their supply chain. SPS was recently named a 2012 SuiteApp Partner of the Year by NetSuite.

"I am delighted to partner with SPS Commerce and meet with the SPS teams in the United States and Hong Kong," said Herman Yong, Managing Consultant at ONE Consulting Services. "SPS' multi-tenant SaaS solutions are well-suited for many of our customers' needs and its offices in Asia provide regional sales and technical support for our joint client base."

About ONE Consulting Services

ONE Consulting Services (ONE) is a consulting organization specializes in business / technology consulting as well as implementation / post-implementation services related to NetSuite and Oracle products. The company utilize years of real-world experience to ensure that clients make the right choices to meet their business needs. ONE's primary aim is to help companies to increase productivity and decrease total cost of ownership.

ONE was founded by a group of IT professionals from Fortune 100 and global consulting companies. The company is headquartered in Hong Kong.

About SPS Commerce

SPS Commerce is a leading provider of on-demand supply chain management solutions and the Retail Universe community, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. We deliver our solutions over the Internet using a Software-as-a-Service model to improve the way the retail supply chain community of suppliers, retailers, distributors and other customers build their trading partner relationships and manage and fulfill orders. Our Retail Universe hosts profiles of thousands of retail supply chain members, and enables retailers, suppliers and 3PLs to find, connect and form new business partnerships based on product or integration requirements. The SPSCcommerce.net platform features pre-built integrations used by current and new customers alike, spanning 3,000 order management models across 1,500 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. More than 45,000 customers across more than 40 countries have used SPSCcommerce.net, making it one of the largest trading partner integration centers. SPS Commerce has achieved 45 consecutive quarters of increased revenues and is headquartered in Minneapolis.
