SPS Commerce to Present at NAVUG Forum 2012

Microsoft Dynamics NAV Community Will Learn How SPS' Cloud-Based EDI and Network of 45,000 Customers Can Improve Their Supply Chain Performance

MINNEAPOLIS, Oct. 15, 2012 (GLOBE NEWSWIRE) -- SPS Commerce (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that the company will present at NAVUG Forum 2012. The session, Vendor ShootOut: EDI, will take place on Wednesday, October 17, 2012, at 8:00 a.m. at the Washington State Convention Center in Seattle, Washington.

In the 60-minute session, SPS Commerce representatives will discuss how Microsoft Dynamics NAV users can leverage SPS' proven integrated EDI services to advance their supply chain performance.

"SPS Commerce has been successfully working with the NAVUG community for many years, and we are delighted to be presenting at their conference," said David Novak, executive vice president at SPS Commerce. "SPS' Dynamics NAV customers use our suite of EDI and supply chain solutions to connect to the SPS network of more than 45,000 customers."

Visit SPS Commerce at booth #144 at the NAVUG Forum 2012 exhibit hall to learn more.

About SPS Commerce

SPS Commerce is a leading provider of on-demand supply chain management solutions and the Retail Universe community, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. We deliver our solutions over the Internet using a Software-as-a-Service model to improve the way the retail supply chain community of suppliers, retailers, distributors and other customers build their trading partner relationships and manage and fulfill orders. Our Retail Universe hosts profiles of thousands of retail supply chain members, and enables retailers, suppliers and 3PLs to find, connect and form new business partnerships based on product or integration requirements. The SPSCommerce.net platform features pre-built integrations used by current and new customers alike, spanning 3,000 order management models across 1,500 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. More than 45,000 customers across more than 40 countries have used SPSCommerce.net, making it one of the largest trading partner integration centers. SPS Commerce has achieved 46 consecutive quarters of increased revenues and is headquartered in Minneapolis. For additional information, please contact SPS Commerce at 866-245-8100 or visit www.spscommerce.com or www.retailuniverse.com.

Cautionary Note Regarding Forward-Looking Statements

Any statements in this release that are not historical or current facts are forward-looking statements. All forward-looking statements in this release, including those relating to guidance and our ability to accelerate growth, are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, performance or achievements to be materially different from any future results, performances or achievements expressed or implied by the forward-looking statements. These factors include less than expected growth in the supply chain management industry, especially for Software-as-a-Service solutions within this industry; lack of acceptance of new solutions we offer; an inability to continue increasing our number of customers or the revenues we derive from our recurring revenue customers; an inability to effectively integrate acquired companies or businesses such as Edifice; and an inability to effectively manage our growth. Certain of these risks and uncertainties are described in the "Risk Factors" section of our most recent Annual Report on Form 10-K and other required reports, as filed with the SEC, which are available at the SEC's Website at <http://www.sec.gov>. SPS Commerce expressly disclaims any intent or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or

otherwise.
