## **SPS Commerce to Present at Directions 2012**

### **Microsoft Dynamics NAV Partner Community Will Learn How SPS' Cloud-Based EDI and Supply Chain Intelligence Solutions Can Improve Supply Chain Performance**

MINNEAPOLIS, Oct. 22, 2012 (GLOBE NEWSWIRE) -- SPS Commerce (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that the company will present at the 2012 Directions Conference. The session, Cloud-based Solutions for EDI and Supply Chain Headaches, will take place on Monday, October 29, 2012, at 3:00 p.m. at The Arizona Biltmore in Phoenix, Arizona.

The 60-minute session will discuss how Microsoft Dynamics NAV partners can find permanent relief from EDI and supply chain headaches for their clients through SPS' proven, cloud-based solutions for EDI, NAV integration and supply chain intelligence. The presentation will include a demonstration of SPS' supply chain management services, as well as information on becoming part of SPS' partner program.

"SPS Commerce has been successfully working with the NAV community for many years helping organizations easily streamline and advance their supply chains through SPS' cloud-based solutions," said David Novak, executive vice president at SPS Commerce. "Our NAV partners have found SPS to provide flexible and innovative solutions and a network of more than 45,000 customers."

Visit SPS Commerce at booth S-3 at the Direction 2012 exhibit hall to learn more.

#### **About SPS Commerce**

SPS Commerce is a leading provider of on-demand supply chain management solutions and the Retail Universe community, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. We deliver our solutions over the Internet using a Software-as-a-Service model to improve the way the retail supply chain community of suppliers, retailers, distributors and other customers build their trading partner relationships and manage and fulfill orders. Our Retail Universe hosts profiles of thousands of retail supply chain members, and enables retailers, suppliers and 3PLs to find, connect and form new business partnerships based on product or integration requirements. The SPSCcommerce.net platform features pre-built integrations used by current and new customers alike, spanning 3,000 order management models across 1,500 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. More than 45,000 customers across more than 40 countries have used SPSCcommerce.net, making it one of the largest trading partner integration centers. SPS Commerce has achieved 46 consecutive quarters of increased revenues and is headquartered in Minneapolis. #### **Cautionary Note Regarding Forward-Looking Statements**

Any statements in this release that are not historical or current facts are forward-looking statements. All forward-looking statements in this release, including those relating to guidance and our ability to accelerate growth, are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, performance or achievements to be materially different from any future results, performances or achievements expressed or implied by the forward-looking statements. These factors include less than expected growth in the supply chain management industry, especially for Software-as-a-Service solutions within this industry; lack of acceptance of new solutions we offer; an inability to continue increasing our number of customers or the revenues we derive from our recurring revenue customers; an inability to effectively integrate acquired companies or businesses such as Edifice; and an inability to effectively manage our growth. Certain of these risks and uncertainties are

described in the "Risk Factors" section of our most recent Annual Report on Form 10-K and other required reports, as filed with the SEC, which are available at the SEC's Website at <http://www.sec.gov>. SPS Commerce expressly disclaims any intent or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
