

SPS Commerce to Present at Manufacturing & Distribution Technology Roundtable for Sage Accpac Users

Event Features Experts on California's Manufacturing Sector and Supply Chain Intelligence Technologies

MINNEAPOLIS, Oct 18, 2010 (GlobeNewswire via COMTEX News Network) -- SPS Commerce (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that SPS Commerce will be presenting at the Manufacturing & Distribution Technology Roundtable at Sage's Corporate Headquarters in Irvine, California on Friday, October 22, 2010 at 11:30am Pacific Daylight Time. AIM Insight is sponsoring the event for warehousing and distribution professionals. Speakers include executives from SPS Commerce, Sage Accpac, AgilePoint, Motorola and Netfira.

SPS' roundtable presentation, "The Latest Innovation is Simplicity," will address how Sage Accpac users can make sense of their historical trends to predict future performance with more accuracy. SPS will share how retailers and their trading partners can reduce your stock-outs and increase inventory turnover with SPS' Trading Partner Intelligence Service.

About SPS Commerce

SPS Commerce is a leading provider of on-demand supply chain management solutions, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. We deliver our solutions over the Internet using a Software-as-a-Service model to improve the way suppliers, retailers, distributors and other customers manage and fulfill orders. Our SPSCcommerce.net platform features pre-built integrations used by current and new customers alike, spanning 2,700 order management models across 1,300 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. More than 35,000 customers across more than 40 countries have used SPSCcommerce.net, making it one of the largest trading partner integration centers. SPS Commerce has 38 consecutive quarters of increased revenues and is headquartered in Minneapolis.
