## **SPS Commerce to Present at SAP Business ByDesign 2012 User Conference**

### **Leading Audio Brand, Skullcandy, and SPS to Co-Present on How to Attain Supply Chain Success in a Distributed Environment**

MINNEAPOLIS, Nov. 5, 2012 (GLOBE NEWSWIRE) -- [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that that David Novak, Executive Vice President at SPS Commerce, will co-present with Mark Hopkins, IT Director at [Skullcandy](#), at the [SAP Business ByDesign 2012 User Conference](#).

The session, "Implementing Supply Chain in a Distributed Environment," will take place on Friday, November 9, 2012, at 9:45 a.m. at the Hilton Salt Lake City Center. SPS Commerce and Skullcandy will share the story behind Skullcandy's rise to success and the technology behind it.

"I am delighted to be co-presenting with Skullcandy at this inaugural event for the SAP Business ByDesign community," said David Novak, executive vice president at SPS Commerce. "SPS would like to thank our partner, Navigator Business Solutions, for launching the event. We look forward to strengthening our relationships with SAP Business ByDesign users, solution partners and the Navigator development team."

#### About SPS Commerce

SPS Commerce is a leading provider of on-demand supply chain management solutions and the Retail Universe community, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. We deliver our solutions over the Internet using a Software-as-a-Service model to improve the way the retail supply chain community of suppliers, retailers, distributors and other customers build their trading partner relationships and manage and fulfill orders. Our Retail Universe hosts profiles of thousands of retail supply chain members, and enables retailers, suppliers and 3PLs to find, connect and form new business partnerships based on product or integration requirements. The SPSCcommerce.net platform features pre-built integrations used by current and new customers alike, spanning 3,000 order management models across 1,500 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. More than 45,000 customers across more than 40 countries have used SPSCcommerce.net, making it one of the largest trading partner integration centers. SPS Commerce has achieved 47 consecutive quarters of increased revenues and is headquartered in Minneapolis.
