SPS Commerce Announces Public Offering of Common Stock

MINNEAPOLIS, Sept. 4, 2012 (GLOBE NEWSWIRE) -- SPS Commerce (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, announced today that it intends to offer 1,600,000 shares of its common stock in an underwritten public offering pursuant to an effective shelf registration statement. In connection with the offering, the Company has granted to the underwriters a 30-day option to purchase up to 240,000 additional shares of common stock from the Company to cover any over-allotments.

Net proceeds from the offering are expected to be used to repay outstanding indebtedness under the Company's line of credit and for working capital and general corporate purposes, including potential acquisitions.

Stifel Nicolaus Weisel is acting as sole book-running manager in the offering, William Blair, JMP Securities and Needham & Company, LLC are acting as lead managers, and Canaccord Genuity, Craig-Hallum Capital Group and Northland Capital Markets are acting as co-managers.

The offering is being conducted pursuant to an effective shelf registration statement on file with the Securities and Exchange Commission. A prospectus supplement relating to the offering will be filed with the Securities and Exchange Commission. When available, copies of the prospectus supplement and the accompanying base prospectus relating to the offering may be obtained from Stifel Nicolaus Weisel at One Montgomery Street, Suite 3700, San Francisco, CA 94104, or by calling (415) 364-2720.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy any securities of SPS Commerce, and there shall not be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or jurisdiction.

About SPS Commerce

SPS Commerce (Nasdaq:SPSC) is a leading provider of on-demand supply chain management solutions and the Retail Universe community, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. The Company provides solutions through SPSCcommerce.net, a hosted software suite that improves the way suppliers, retailers, distributors and other customers manage and fulfill orders.
