"Dan is the latest addition to our senior management team and will serve in a new role overseeing the company's sales organizations," said Archie Black, president and CEO of SPS Commerce. "Working with our sales executives and their teams, he will be instrumental to expanding our sales success. Dan is highly regarded for his leadership and brings a proven ability to drive growth. We are thrilled to welcome Dan to SPS Commerce."

Dan joins SPS Commerce with more than 20 years of experience in executive and sales leadership roles spanning enterprise cloud services, educational technology and business information solutions. He has led transformative sales, customer service and marketing organizations that achieved substantial revenue growth for market leaders including Edmentum and Thomson Reuters.
