NetSuite CEO Zach Nelson to Keynote at SPS Commerce Omnichannel 2014 Conference

Cloud Industry Pioneer to Share How Today's Digital Consumer Has Fundamentally Reshaped Retail, Making Technology Innovation Even More Critical to Retail Success

SAN MATEO, Calif. and MINNEAPOLIS, April 15, 2014 (GLOBE NEWSWIRE) -- NetSuite Inc. (NYSE:N), the industry's leading provider of [cloud-based financials](#) / ERP and [omnichannel commerce](#) software suites, and SPS Commerce, Inc. (Nasdaq:SPSC), a leader in retail cloud services, today announced that NetSuite CEO Zach Nelson will keynote at the SPS Commerce Omnichannel 2014 conference at 1:30 p.m. CDT, on Monday, May 5, 2014, at the Marriott City Center in Minneapolis, Minn.

Mr. Nelson's keynote address, "Retail is Dead, Long Live Retail!," will discuss how consumers are driving disruption across all channels, provoking a reinvention of business processes and technology to support omnichannel commerce, multiple business models and demands for seamless shopping experiences.

"SPS is delighted to welcome industry pioneer, Zach Nelson, to share his insight on how the retail industry can succeed in the omnichannel era," stated Archie Black, president and CEO at SPS Commerce. "Zach has a compelling understanding of how fundamental innovations in cloud technology are powering personalized, improved experiences across every channel and every consumer touchpoint, regardless of business model."

SPS Omnichannel 2014 is the annual retail conference produced by SPS Commerce. Held May 4-6, 2014, in Minneapolis, Minn., the event brings together executives and professionals in the retail industry. Action-orientated sessions will feature speakers from across the supply chain to discuss the tools needed to be successful in a market dominated by the power of the consumer. To register and learn additional details, please visit <http://www.spsomnichannel.com>. To join the SPS Omnichannel 2014 conversation on Twitter, please use #SPSOmnichannel.

About NetSuite

NetSuite Inc. is the industry's leading provider of cloud-based financials / Enterprise Resource Planning (ERP) and omnichannel commerce software suites. In addition to financials / ERP software suites, NetSuite offers a broad suite of applications, including accounting, Customer Relationship Management (CRM), Professional Services Automation (PSA) and ecommerce that enable companies to manage most of their core business operations in its single integrated suite. NetSuite software allows businesses to automate operations, streamline processes and access real-time business information anytime, anywhere.
