Retail Anywhere and SPS Commerce Partner to Deliver Point-of-Sale and Supply Chain Solutions for NetSuite

Cloud-Based Offering Facilitates Vendor Collaboration and Provides an Integrated Solution for Multi-Channel Retailers

PASO ROBLES, Calif. and MINNEAPOLIS, April 25, 2012 (GLOBE NEWSWIRE) -- Retail Anywhere, a leading provider of point of sale and retail management systems for midsize retailers, and SPS Commerce (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced a partnership for the NetSuite community from two leading NetSuite partners. The joint solution delivers point-of-sale (POS) and supply chain solutions to help e-commerce and specialty retailers improve vendor collaboration.

"Retail Anywhere's retail customers are actively seeking new ways to support their multi-channel retail strategies, including enhanced vendor collaboration," said Branden Jenkins, CEO of Retail Anywhere. "With our new relationship, Retail Anywhere has a trusted partner with proven NetSuite experience to refer our customers to when they need supply chain integration and intelligence. We are pleased to provide the NetSuite community with next-generation POS, supply chain intelligence, social media and supply chain solutions that help retailers connect with their vendors and gain visibility into their business like never before."

As a NetSuite Solution Provider, Retail Anywhere provides its customers with NetSuite's ERP platform and required NetSuite retail modules along with Retail Anywhere POS. Retail Anywhere also works with existing NetSuite users looking to adopt an integrated point-of-sale solution. SPS Commerce's cloud-based supply chain services improve the way suppliers, retailers, distributors and 3PLs build their trading partner relationships and manage and fulfill orders with pre-built integrations using 3,000 order management models across 1,500 retailers, grocers and distributors. SPS' Retail Universe, a social network for the supply chain, is designed to help the community's 40,000 members form new business partnerships based on product or integration requirements.

"SPS Commerce is pleased to join forces with another leading NetSuite partner, Retail Anywhere," said Archie Black, CEO of SPS Commerce. "Our combined NetSuite solutions add value to e-commerce and traditional retailers as they use online and store sales and order information to reduce inventory levels, streamline their supply chain, and align in-store and e-commerce initiatives using the cloud."
