

Exact Americas Selects SPS Commerce as Its Cloud-Based EDI Solution for All Exact ERP Solutions

Agreement Enables Exact to Include Prewired Access to SPSCommerce.net in Its ERP Solutions, Including Exact JobBOSS, Exact Macola, Exact Globe, and Exact MAX

MINNEAPOLIS, Oct. 18, 2011 (GLOBE NEWSWIRE) -- [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced a new partnership with [Exact Americas](#), a leading provider of business software solutions to small- and medium-sized manufacturing and distribution companies. Exact selected SPS Commerce as its cloud-based EDI partner, and together they will make integration available to allow easy connections between SPS' EDI services and Exact's ERP solutions, including Exact JobBOSS, Exact Macola, Exact Globe and Exact MAX.

"We've seen how EDI has evolved in past years with the emergence of cloud computing and an ever-increasing need for our customers to be connected with their customers like never before," said Mitch Alcon, President of Exact Americas. "Partnering with SPS Commerce will provide our customers with prewired access to its leading EDI service, connect them with thousands of retailers with ease, and be supported by SPS' highly reputable customer service teams. We are delighted to be working with SPS Commerce."

SPS Commerce's EDI and supply chain services offer suppliers and distributors solutions for trading partner compliance, global supply chain integration, e-commerce fulfillment, customer collaboration and fulfillment partner integration. The SPSCommerce.net platform features pre-built integrations spanning 3,000 order management models across 1,500 retailers, grocers and distributors. More than 40,000 customers across more than 40 countries have used SPSCommerce.net, making it one of the largest trading partner integration centers.

"SPS Commerce already has numerous customers successfully using Exact's ERP solutions and SPSCommerce.net to connect with their retail trading partners," stated Archie Black, president and CEO of SPS Commerce. "With this partnership we can advance our relationship and streamline integration for our shared customers. We are proud to have been selected as Exact's cloud-based EDI provider for its ERP solutions sold throughout the world."

About Exact

Exact has been serving entrepreneurs with information technology since 1984. Growing from a student start-up to a global solution provider, today over 1,800 employees worldwide keep our entrepreneurial spirit alive. Every day our solutions help over 100,000 local and international companies run their business. Exact has been listed on the NYSE Euronext Amsterdam since June 1999. The company's revenue in 2010 amounted to €228.2 million.
