### **About SPS Commerce**

SPS Commerce is a leading provider of on-demand supply chain management solutions and the Retail Universe community, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. We deliver our solutions over the Internet using a Software-as-a-Service model to improve the way the retail supply chain community of suppliers, retailers, distributors and other customers build their trading partner relationships and manage and fulfill orders. Our Retail Universe hosts profiles of thousands of retail supply chain members, and enables retailers, suppliers and 3PLs to find, connect and form new business partnerships based on product or integration requirements. Our platform features pre-built integrations used by current and new customers alike, spanning 3,000 order management models across more than 1,500 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. More than 50,000 customers across more than 40 countries have used our platform, making it one of the largest trading partner integration centers. SPS Commerce has achieved 48 consecutive quarters of increased revenues and is headquartered in Minneapolis.
