

SPS Commerce Launches Webinar Series for Retailers and Their Trading Partners, Mastering the New Supply Chain: 12 Practical Strategies

Recognized Supply Chain Expert, Scott Bolduc, Provides Best Practices on Advancing Each Step of the Retail Order Fulfillment Cycle

MINNEAPOLIS, April 4, 2011 (GLOBE NEWSWIRE) -- [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today unveiled an educational series of webcasts to help retailers and their trading partners discover new ways to advance their supply chain processes. Offered online, the 30-minute, complimentary webinars deliver a practical mix of strategies, tactics and case studies, plus live Q&A with retail supply chain industry expert Scott Bolduc.

As Senior Supply Chain Strategist at SPS Commerce, Scott Bolduc has become a trusted supply chain expert and advisor to more than 40 retailers. He has reviewed the electronic trading requirements of more than 400 retailers and provided recommendations to improve efficiency and supplier adoption. Companies that he has worked with have experienced a combined estimated savings of more than \$20 million annually by adopting his recommendations and best practices. Mr. Bolduc is a frequent speaker at industry events including UConnect, Council of Supply Chain Management Professional meetings and customer user groups.

The first webinar in the *Mastering the New Supply Chain* series takes place on April 19, 2011, at 1:00pm Central. The event will explore how effective item management allows retailers to stand out from the crowd both in store and online. Scott will provide practical tips for retailers to communicate compelling and accurate item information, such as images, UPC, country of origin and pricing needed for today's ecommerce and retail strategies. Registration is available at <http://www.spscommerce.com/about-us-overview/newsandevents/webinar-series.html>.

About SPS Commerce

SPS Commerce is a leading provider of on-demand supply chain management solutions, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide.
