

OTT, Inc. and SPS Commerce Team to Offer Cloud-Based Supply Chain Solutions for Microsoft Dynamics GP Users

Award-Winning Microsoft Partner Selects SPSCommerce.net to Deliver Integrated EDI and Supply Chain Solutions to Manufacturers and Distributors

MINNEAPOLIS, Nov. 1, 2011 (GLOBE NEWSWIRE) -- [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, and OTT, Inc., a leading VAR and Microsoft Gold ERP Partner, today announced that they have partnered to provide new solutions to the Microsoft Dynamics GP community. The partnership combines the cloud-based supply chain services from SPS Commerce used by more than 40,000 organizations and OTT, Inc.'s business process and implementation expertise that has earned the company many awards from Microsoft and others. The companies have successfully deployed the shared solution.

"OTT, Inc. strives to deliver solutions that improve productivity, efficiency and profitability," said Eric Sheehan, CEO of OTT, Inc. "With this new partnership, we can provide an expanded number of offerings to our Dynamics GP clients to help them achieve their supply chain goals. We chose to partner with SPS Commerce as they had many successful Dynamics GP users, a comprehensive solution with connections to more than 1,500 retailers, and a cloud-based technology to make deployments faster and affordable for our clients. We are delighted to partner with SPS."

OTT, Inc. is an award-winning Microsoft Partner delivering business management, Customer Relationship Management (CRM), IT, and Custom Development solutions and services to small and mid-market businesses. SPS Commerce's EDI and supply chain services offer solutions for trading partner compliance, global supply chain integration, e-commerce fulfillment, customer collaboration and fulfillment partner integration.

"We are pleased to announce our new partnership with OTT, Inc.," said Archie Black, President and CEO of SPS Commerce. "They are leaders in the Microsoft community and have earned a reputation of delivering high-performing solutions and developing long-term partnerships with their clients. We share their commitment to client satisfaction and are pleased to be working with them to deliver more solutions to the Microsoft Dynamics GP community."
