

## **SPS Commerce Named an Inbound Logistics Top 100 Logistics IT Provider for 2012**

### **Retail Universe(SM) Offers 3PLs and Carriers a New Marketing Venue to Reach 40,000 Organizations and Showcase Their Logistics Solutions**

MINNEAPOLIS, April 30, 2012 (GLOBE NEWSWIRE) -- SPS Commerce (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that it has been named an Inbound Logistics Top 100 Logistics IT Provider for 2012. Every April, Inbound Logistics editors recognize 100 logistics IT companies that support and enable logistics excellence. Drawn from a pool of more than 300 companies, using questionnaires, personal interviews and other research, Inbound Logistics selects the Top 100 Logistics IT Providers who are leading the way in 2012.

"SPS Commerce is honored to be recognized by Inbound Logistics for this award for the third consecutive year," said Archie Black, president and CEO of SPS Commerce. "This year we launched a new online community, the Retail Universe, to complement our cloud-based services for retail compliance, global customer integration and supply chain collaboration. 3PLs and carriers are using this free service to showcase their capabilities including support for specific fulfillment models such as drop ship, geographies served and specialized warehousing attributes. Many of our logistics customers are leveraging the Retail Universe as part of their 2012 marketing strategy."

SPS Commerce offers a variety of cloud-based supply chain solutions for third-party logistics providers (3PLs), warehouses and transportation companies. The Retail Universe is an online community that enables 3PLs and carriers to market their capabilities and expand their business by connecting to its membership of 40,000 retailers and suppliers.

"How does a big company expand markets and compete with more entrenched competitors?" said Felecia Stratton, editor of Inbound Logistics. "How does a small company compete with a larger company? How can today's business logistics managers boost supply chain performance and customer service while cutting overall logistics costs? By utilizing the best in logistics technology. Inbound Logistics editors selected SPS Commerce for its consistent ability to deliver innovative solutions empowering logistics and supply chain excellence."

#### **About Inbound Logistics**

Inbound Logistics is the pioneering publication of demand-driven logistics practices, also known as supply chain management. IL's educational mission is to guide businesses to efficiently manage logistics, reduce and speed inventory, and neutralize transportation cost increases by aligning supply to demand and adjusting enterprise functions to support that paradigm shift. More information about demand-driven logistics practices is available at [www.inboundlogistics.com](http://www.inboundlogistics.com)

#### **About SPS Commerce**

SPS Commerce is a leading provider of on-demand supply chain management solutions and the Retail Universe community, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. We deliver our solutions over the Internet using a Software-as-a-Service model to improve the way the retail supply chain community of suppliers, retailers, distributors and other customers build their trading partner relationships and manage and fulfill orders. Our Retail Universe hosts profiles of thousands of retail supply chain members, and enables retailers, suppliers and 3PLs to find, connect and form new business partnerships based on product or integration requirements. The SPSCcommerce.net platform features pre-built integrations used by current and new customers alike, spanning 3,000 order management models across 1,500 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. More than 45,000 customers across more than 40 countries have used SPSCcommerce.net, making it one of the largest trading partner integration centers. SPS Commerce has achieved 45 consecutive quarters of increased revenues and is headquartered in Minneapolis.
