Navigator Business Solutions and SPS Commerce Partner to Deliver Innovative Supply Chain Solutions for SAP Business ByDesign

National Gold SAP Partner Integrates With SPS' On-Demand Supply Chain Services to Provide Streamlined Solutions for the SAP Community

SALT LAKE CITY and MINNEAPOLIS, Oct. 31, 2012 (GLOBE NEWSWIRE) -- [Navigator Business Solutions](#), a National SAP Gold Partner and SAP reseller, and [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced a partnership to deliver integrated solutions for the SAP community. The joint offering teams Navigator's SAP and SAP Business ByDesign expertise and SPS' on-demand supply chain solutions to help discrete manufacturers, wholesale distributors, professional services organizations and others meet diverse customer trading requirements with ease.

"Navigator is delighted to partner with SPS Commerce," said Grant Fraser, CEO, at Navigator. "By connecting once to SPS, our SAP Business ByDesign customers can take advantage of SPS' integrations to thousands of trading partners worldwide. We've seen firsthand how easy it is to integrate to SPS' platform, and the expertise of its staff to manage the deployment. SPS takes care of the details of EDI and makes it easy for our customers to connect with their supply chain."

Navigator delivers SAP solutions exclusively to small-midsize businesses, including SAP Business One, SAP Business ByDesign, and SAP Business All-in-One. The company has successfully implemented more than 500 SAP solutions. SPS Commerce's cloud-based supply chain services improve the way suppliers, retailers, distributors and 3PLs build their trading partner relationships and manage and fulfill orders with pre-built integrations using 3,000 order management models across 1,500 retailers, grocers and distributors. Navigator and SPS' integrated solution is already being deployed at several SAP organizations.

"Navigator is known in the industry for its vast expertise in SAP, especially SAP's cloud solutions like SAP Business ByDesign," said David Novak, Executive Vice President of Sales & Business Development at SPS Commerce. "We are pleased to welcome them into our partner community and work alongside them at SAP customer sites worldwide. The SPS platform is designed to help partners, like Navigator, enable their clients to successfully integrate and collaborate with their supply chain. Together, SPS and Navigator's integrated solution delivers the flexibility and scalability needed by today's SAP users."

Learn more about the integrated solution at the [SAP Business ByDesign Users Conference](#), November 9-10, 2012, in Salt Lake City, Utah.
