

## **SPS Commerce Named a 2010 Hot Companies Finalist by Network Products Guide**

**Minneapolis, Minn., Jan.26, 2010**—SPS Commerce, a leading provider of on-demand supply chain management solutions, today announced that it has been named a 2010 Hot Companies finalist by Network Products Guide. Selected from a global industry analysis of information technology vendors which included established large companies, mid-size and new start-ups around the world, SPS Commerce has advanced to the finalist stage. The 2010 Hot Companies analysis encompasses companies in all areas of information technologies including security, wireless, storage, networking, software and communications.

The 2010 Hot Companies winners will be announced and honored at the Technosium 2010 Presentations and Dinner at the Palace Hotel in San Francisco on March 18, 2010.

"We are pleased that our company been selected as a 2010 Hot Company finalist," said Archie Black, President and CEO of SPS Commerce. "It is an honor to be recognized by this award committee for our innovation, customer service, and IT leadership, and we look forward to participating in the Technosium 2010 Presentations and Dinner."
