

SPS Commerce Named an Inbound Logistics Top 100 Logistics IT Provider for 2010

Winners Recognized for Empowering Supply Chain Management and Logistics in the Face of Economic Uncertainty

Minneapolis, Minn., June 14, 2010 - SPS Commerce (NASDAQ: SPSC), a leading provider of on-demand supply chain management solutions, today announced that it has been named an Inbound Logistics Top 100 Logistics IT Provider for 2010.

"SPS Commerce is honored to be recognized by Inbound Logistics for this award," commented Archie Black, president and CEO of SPS Commerce. "₃PLs and carriers have an important role in the retail supply chain and many have elected to use

SPS supply chain services to add new capabilities and improve their customer service. We are pleased to be recognized for the value our solutions deliver to logistics providers."

SPS Commerce's solutions for ₃PLs and freight forwarders include EDI Services, Testing, Inventory Upload and Labels to provide secure visibility to inbound orders and shipping instructions, as well as the ability to barcode label packages as required by the retailer and send Advance Ship Notices (ASNs) on behalf of their customers to the recipient.

"Top 100 Logistics IT Providers such as SPS Commerce empower supply chain management and logistics, and continue to offer innovative and practical solutions in the face of economic uncertainty," stated **Felecia Stratton, Editor,**

Inbound Logistics. "During 2010, SPS Commerce consistently provided the kinds of technology solutions *Inbound Logistics* readers need to successfully manage their global enterprises. As shippers, carriers, and ₃PLs increase their use of

logistics IT, SPS Commerce continues to be flexible and responsive, anticipating customers' evolving needs. *Inbound Logistics* is proud to honor SPS Commerce for innovative solutions empowering logistics and supply chain excellence."
