

## **SPS Commerce Expands International Operations and Support by Opening Offices in the United Kingdom and France**

**Minneapolis, Minn., Feb. 8, 2010**—SPS Commerce, a leading provider of on-demand supply chain management solutions, today announced that it has expanded its operations into Europe and opened offices in the United Kingdom and France. The new offices will provide direct sales and support for SPS' customers that manufacture goods and/or have retail locations within Europe.

"SPS Commerce aims to provide the very best in customer service," commented Archie Black, President and CEO of SPS Commerce. "Local, knowledgeable staff are key to achieving this level of satisfaction and we are pleased to bring this height of service to our customers with supply chains in Europe. We elected to open these offices to support existing customers. In addition, we will continue to leverage our international presence to increase the number of integrations we have with retailers in foreign markets to make our SPSCcommerce.net platform more valuable to suppliers based overseas."

SPS' corporate headquarters are in Minneapolis, Minnesota, its Asian headquarters are in Beijing, China, and it has support offices throughout North America, Asia and Europe.

### **About SPS Commerce**

SPS Commerce is a leading provider of on-demand supply chain management solutions, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. We deliver our solutions over the Internet using a Software-as-a-Service model to improve the way suppliers, retailers, distributors and other customers manage and fulfill orders. Our SPSCcommerce.net platform features pre-built integrations used by current and new customers alike, spanning 2,700 order management models across 1,300 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. More than 35,000 customers across more than 40 countries have used SPSCcommerce.net, making it one of the largest trading partner integration centers. SPS Commerce has 35 consecutive quarters of increased revenues and is headquartered in Minneapolis.
