

SPS Commerce to Participate in CHaINA '10 Live

Company to Exhibit at Asia's Largest and Most Anticipated Supply Chain Event

MINNEAPOLIS, Nov. 16, 2010 (GLOBE NEWSWIRE) -- [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that it will be participating in CHaINA '10 Live in Shanghai on November 17-18, 2010. The event explores every aspect of supply chain management in China and will be attended by several executives from SPS' Asian office.

"China's supply chains are advancing rapidly to efficiently bring products to market, deliver global visibility to products in the supply chain, and deliver superior service to its trading partners," said Christopher Beukenkamp, Managing Director, Asia at SPS Commerce. "SPS Commerce is pleased to participate in CHaINA '10 Live this week, visit with many of our customers face-to-face and demonstrate SPSCcommerce.net's numerous on-demand supply chain and intelligence services to attendees."

SPSCcommerce.net is a suite of outsourced services that improve the way trading partners manage and fulfill orders in the retail supply chain. As one of the industry's largest trading partner integration centers, SPSCcommerce.net uses an outsourced, Software-as-a-Service (SaaS) approach and pre-built integrations to help customers get up-and-running quickly without investing in technology infrastructure or staff. More than 38,000 companies in the global retail ecosystem have relied on SPSCcommerce.net to enhance their trading relationships.

SPS Commerce will be exhibiting at CHaINA '10 Live at Booth #19.

About SPS Commerce

SPS Commerce is a leading provider of on-demand supply chain management solutions, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. We deliver our solutions over the Internet using a Software-as-a-Service model to improve the way suppliers, retailers, distributors and other customers manage and fulfill orders. Our SPSCcommerce.net platform features pre-built integrations used by current and new customers alike, spanning 3,000 order management models across 1,500 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. More than 38,000 customers across more than 40 countries have used SPSCcommerce.net, making it one of the largest trading partner integration centers. SPS Commerce has 39 consecutive quarters of increased revenues and is headquartered in Minneapolis.
