SPS Commerce Named to SupplyChainBrain's 2012 100 Great Supply Chain Partners List

Award Bestowed on Software and Service Providers Whose Technology, Logistics, Transportation or Consulting Solutions Have Made a Significant Impact on Supply Chain Efficiency

MINNEAPOLIS, July 17, 2012 (GLOBE NEWSWIRE) -- [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that it has been named to SupplyChainBrain's 2012 100 Great Supply Chain Partners list for the third consecutive year.

"SupplyChainBrain's 10th annual list of 100 Great Supply Chain Partners is the result of a six-month on-line poll in which supply chain professionals were asked to nominate vendors and service providers whose solutions have made a significant impact on their company's efficiency, customer service and overall supply chain performance," said Brad Berger, publisher of SupplyChainBrain. "Our compliments to SPS Commerce on making this select list of 100 companies who received the most qualified nominations!"

With more than 45,000 customers worldwide, SPS Commerce offers a broad suite of on-demand services for the retail supply chain. The SPSCommerce.net platform features prebuilt integrations with 3,000 order management models across more than 1,500 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. These integrations help suppliers, retailers, 3PLs and others in the retail supply chain shorten supply cycle times, optimize inventory levels, streamline e-commerce fulfillment, and reduce costs.

"All of us at SPS are delighted to be included in the 100 Great Supply Chain Partners list for the third year," said Archie Black, president and CEO of SPS Commerce. "We would like to thank our customers who took the time to nominate SPS based on their supply chain advancements using our cloud-based services."
