

1,400 Suppliers Use SPS Commerce's Integrated EDI Service With Sage ERP and Accounting Solutions

SPSCommerce.net Connects Sage ERP Accpac, Sage ERP MAS, Sage Peachtree and Sage ERP X3 Users With 1,500 Retailers and Distributors

MINNEAPOLIS, June 28, 2011 (GLOBE NEWSWIRE) -- [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that more than 1,400 suppliers with Sage ERP solutions are using SPS' EDI and other supply chain services. SPSCommerce.net's services are integrated with Accpac, Business Works, Business Visions, MAS 90/200, MAS 500, Peachtree, Pro, and X3.

"We are pleased to be a leading provider of trading partner integration services to the Sage community," said Archie Black, President and CEO of SPS Commerce. "Our services offer a seamless integration to most of Sage solutions, offering suppliers a more efficient exchange of order, fulfillment and invoicing information with trading partners around the globe as well as the ability to add new trading partners in days not weeks."

SPS Commerce's outsourced EDI services integrate directly into a supplier's Sage ERP or accounting application. With these solutions integrated with SPS' multi-tenant, SaaS architecture, the EDI service delivers greater functionality with less cost and risk than traditional EDI software. Suppliers are enabled to exchange sales orders, advance ship notices, invoices, warehouse shipments and other required documents with trading partners around the globe.
