

SPS Commerce to Participate in the NRF BIG Show

On-Demand Supply Chain Service Provider to Feature Its Integration and Intelligence Offerings at Retail Industry's Largest Annual Conference

MINNEAPOLIS, Jan. 4, 2011 (GLOBE NEWSWIRE) -- [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that it will be participating in the National Retail Federation (NRF) BIG Show in New York City on January 9-12, 2011. The event is expected to draw more than 18,500 retail professionals and is celebrating 100 years.

"Today's retail supply chain has evolved to include more types of partners -- not just suppliers, but also third-party logistics providers, sourcing companies, QA firms, brokers, carriers and factors," said Archie Black, president and CEO of SPS Commerce. "SPS Commerce is helping retailers connect with all of their global trading partners and achieve a greater degree of integration and collaboration. We look forward to showcasing these solutions at the NRF conference, visiting with many of our customers face-to-face, and demonstrating SPSCommerce.net's on-demand supply chain and intelligence services."

SPS Commerce offers a suite of on-demand supply chain services that improve the way trading partners manage and fulfill orders in the [retail supply chain](#). Its solutions are used by more than 38,000 companies and help retailers address the following supply chain initiatives:

- Vendor compliance and performance
- Inventory management
- E-commerce fulfillment
- Transportation management
- Planning and forecasting
- B2B integration and EDI

SPS Commerce will be exhibiting at the NRF BIG Show at Booth #3352.

About SPS Commerce

SPS Commerce is a leading provider of on-demand supply chain management solutions, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. We deliver our solutions over the Internet using a Software-as-a-Service model to improve the way suppliers, retailers, distributors and other customers manage and fulfill orders. Our SPSCommerce.net platform features pre-built integrations used by current and new customers alike, spanning 3,000 order management models across 1,500 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. More than 38,000 customers across more than 40 countries have used SPSCommerce.net, making it one of the largest trading partner integration centers. SPS Commerce has 39 consecutive quarters of increased revenues and is headquartered in Minneapolis.
