

SPS Commerce and Sunrise Technologies Team to Deliver Integrated EDI Solution for Microsoft Dynamics AX

Minneapolis, Minn. and Winston-Salem, NC., June 8, 2010 - [SPS Commerce](#) (NASDAQ: SPSC), a leading provider of on-demand supply chain management solutions, and [Sunrise Technologies](#), a leading [Microsoft Dynamics AX](#) provider, today announced that they have teamed to deliver an integrated solution for Dynamics AX.

"With more than 15 years of experience in supply chain consulting and as a top selling reseller of Microsoft Dynamics AX, we are pleased to work with Sunrise Technologies to provide a seamless integration between SPSCCommerce.net and our customers using the Microsoft Dynamics AX system," stated Archie Black, president and CEO of SPS Commerce. "We are truly teaming with one of the leading Microsoft Dynamics AX experts and Microsoft Gold Certified resellers, and look forward to delivering a more integrated solution for the manufacturing, distribution, and retail industries."

Microsoft Dynamics AX is an object oriented ERP system designed for manufacturing, distribution, and retail. Founded in 1994, Sunrise Technologies is a member of the elite Microsoft Dynamics Inner Circle and President's Club, and as a Microsoft Gold Certified partner it holds the highest level of qualifications in Microsoft Dynamics AX product competency and industry/domain expertise. SPS Commerce is a leading provider of Electronic Data Interchange (EDI), trading partner intelligence and other supply chain management solutions used by 35,000 organizations in 40 countries.

"SPS Commerce is a leading provider of web-based EDI services, with more than 35,000 customers worldwide," commented John Pence, president of Sunrise Technologies. "We look forward to proving Microsoft Dynamics AX customers with a new way to streamline their supply chains without using capital resources. Integrating an EDI service, like SPSCCommerce.net, is a wonderful alternative to traditional software and we are pleased to be providing the Microsoft Dynamics AX expertise to make this transition easy on suppliers."

About SPS Commerce

SPS Commerce is a leading provider of on-demand supply chain management solutions, providing integration, collaboration, connectivity, visibility and data analytics to thousands of customers worldwide. We deliver our solutions over the Internet using a Software-as-a-Service model to improve the way suppliers, retailers, distributors and other customers manage and fulfill orders. Our SPSCCommerce.net platform features pre-built integrations used by current and new customers alike, spanning 2,700 order management models across 1,300 retailers, grocers and distributors, as well as integrations to over 100 accounting, warehouse management, enterprise resource planning, and packing and shipping applications. More than 35,000 customers across more than 40 countries have used SPSCCommerce.net, making it one of the largest trading partner integration centers. SPS Commerce has 37 consecutive quarters of increased revenues and is headquartered in Minneapolis.
