

## **SPS Commerce Named to Food Logistics' 2011 FL100**

### **Award Honors Technology and Solution Providers That Help Grocery, Foodservice Distributors and Manufacturers Differentiate Their Businesses in the Marketplace**

MINNEAPOLIS, Dec. 21, 2011 (GLOBE NEWSWIRE) -- [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that it has been named to *Food Logistics'* annual FL100 list of top technology providers used by grocery, foodservice distributors and manufacturers for the second consecutive year.

"We are honored to be named to the FL100 as a leading technology provider to the grocery industry," said Archie Black, president and CEO of SPS Commerce. "This year's list is made up of solution providers that help organizations differentiate themselves in the marketplace. With the new Retail Universe online community, SPS is pleased to be helping thousands of grocers, suppliers, retailers, distributors and 3PLs showcase their business to potential new trading partners. We would like to thank *Food Logistics* for awarding SPS Commerce again this year with this honor."

The [Retail Universe](#) connects thousands of members of the retail supply chain, including 3PLs, vendors and retailers, allowing organizations to identify new business partners and expand their e-commerce or traditional businesses with confidence. The free online community gives 3PLs and other trading partners that support the grocery industry an opportunity to showcase their unique capabilities, including specialized transportation and warehousing attributes such as cold storage. Organizations can register online at [www.retailuniverse.com](http://www.retailuniverse.com).

The FL100 listing is a resource for grocery and foodservice distribution and manufacturing executives. Final recipients are featured in the November/December 2011 issue of *Food Logistics*, as well as online at [www.foodlogistics.com](http://www.foodlogistics.com).
