## **SPS Commerce Named to the Food Logistics 2012 FL100**

### **Award Recognizes Leading Software Leaders Serving the Grocery Industry**

MINNEAPOLIS, Dec. 18, 2012 (GLOBE NEWSWIRE) -- [SPS Commerce](#) (Nasdaq:SPSC), a leading provider of on-demand supply chain management solutions, today announced that it has been named to *Food Logistics'* FL100 for the third consecutive year. The list recognizes 100 software and technology providers that help food and beverage manufacturers, foodservice distributors and grocery retailers advance their supply chains to attain their business goals.

"SPS has helped the grocery industry, including retailers, vendors and 3PLs, to advance their supply chain, streamline logistics and collaborate with one another," said Archie Black, president and CEO of SPS Commerce. "We are delighted to be honored by Food Logistics as a technology leader in the food industry."

"With the evolution of the food supply chain, software and technology providers are playing a more critical role in addressing needs such as end-to-end visibility and collaboration, traceability, regulatory compliance, risk management, sustainability, and cost containment," said Lara L. Sowinski, editor-in-chief of *Food Logistics*. "Technology is the competitive differentiator for companies in our industry who need to stay ahead of dynamic changes in the marketplace."

The 2012 FL100 will appear in the November/December issue of [Food Logistics](#).
